

Company Profile

axis CORPORATION

AHEAD WITH QUALITY AND SERVICE

Introduction:

Axis Corporation is one of the prominent business houses in Bangladesh acting field of Pharmaceuticals Raw Materials, API, Excipients, Intermediates, Pharmacopoeia Reference Standards etc since 1995. Over the years the company has successfully established a great position in the Pharmaceutical industry. Current yearly turnover of the company is USD 15 Million.

Axis has recently expanded it's activities to supply raw materials for Rubber, Plastic, Paint, Tyre, Agro and Cement industries.

Axis has always been inspired and honoured by the blessings of it's family companies "SINHA GROUP" and "ACME GROUP". They have set the standards for us and we are working hard everyday to maintain the same great reputation and strong business ethics.

Current Involvements:

Axis Healthcare: It has a healthcare extension that imports and distributes vaccines that are quite unique in the industry. Axis has recently signed a joint venture contract with an Indian health care company “Dr. Lal Pathlabs”.

Axis Technologies (Pvt.) Ltd (AXT): It also has a technology extension that imports and distributes computer components and peripherals. Currently AXT is the distributor of AMD, USA ; ECS, USA & N-Computing – USA.

Axis International: It was established to develop new businesses and maintain good business relations with both international and local buyers & sellers.
